NOTE FOR: Chairman, MASINT Committee

FROM: DDR&E/ICS

SUBJECT: Background Help

This note asks for a bit of your help.

I received a copy the other day of an interesting memorandum send to you by Chief, CRES at CIA. There must be something in this issue that I do not understand.

As a result, I would appreciate it greatly if you would come and see me sometime next week and give me your perceptions of:

- o What is the problem between CIA and the Committee, and perhaps you?
- o What are the origins?
- o What ought to be done and who ought to do it?

If I can help, please let me know.
